

MAXELL®

STAINLESS STEEL THERMOWARES

Product Catalouge

MAXELL is India's leading household brand that beholds consumer confidence to the fullest. The brand that evokes an instant image of excellence in food storage and serving.

MAXELL represents some of the highest quality & technology standards available in the world, the virgin food grade quality materials that are used for manufacturing. **MAXELL** thermowares keep food hot for a longer period of time, which avoids reheating, hence saving the costly L.P.G & electricity. This also keep the food nutrient rich, ensuring you and your family is in best of the health. We at **MAXELL** use the world's best environment friendly, ozone friendly, C.F.C. Free, non polluting poly - urethane foam (P.U.F.). **MAXELL** products have an everlasting smooth natural Steel & Satin finish, which never goes off.

MAXELL has a spectacular assortment of products, which have been thoughtfully designed for utility and aesthetically styled for presentation. We have designs and sizes to suit all your requirements. New designs are constantly developed to stay in touch with the modern trends. The clients from all over the World are sincerely and warmly welcome.

SPECIAL FEATURES:-

- DOUBLE WALL THICK PUFF INSULATED TO KEEP HOT OR COLD LONGER.
- NON MAGNETIC MIRROR FINISH QUALITY STAINLESS STEEL
- HIGHLY HYGEINIC, ODOUR FREE, UNBREAKABLE.
- IDEAL USE IN HOTELS, RESTAURANTS, HOSPITALS & HOMES.
- MOST IDEAL AS BUSINESS PROMOTIONAL GIFTS.

Feel the **Hot 'N' cold** of **MAXELL**
